December 2017 Quarterly Activities Report

Highlights

- Rights issue completed
- Change of Company name
- Backreef Block Environmental Audit

Rights issue

The company completed a pro-rata renounceable rights issue in November 2017, raising \$1,554,154.19 (before costs) through the issuance of 518,051,398 fully paid shares and 518,051,398 options.

Annual General Meeting

The Company's AGM was held in Sydney on 21 November 2017. All resolutions were carried, including a special resolution to change the Company name.

Change of Company name

Shareholders approved the change of the Company's name at the AGM in November 2017. The Company changed its name to Emperor Energy Limited. The Company has designed a new corporate logo and launched a new web site www.emperorenergy.com.au

Backreef Block Environmental Audit

In November 2017, the company attended an Environmental Assessment of the Backreef Well site along with the Western Australian Department of Mines, Industry Regulation and Safety (DMIRS).

A well integrity monitoring and maintenance inspection was previously completed at Backreef in April 2017. This inspection confirmed that the two bridge plugs in the well continued to be effective with no well head pressure evident. Soil samples taken at that time also confirmed that there is no site contamination.

EMPEROR ENERGY
LIMITED

In September 2017 the Company submitted its environmental plan with the DMIRS. EMP will now progress to submit an amendment to the environmental plan to include rehabilitation of the site along with a plug and abandonment plan for the well.

When the amended plans are approved by DMIRS, EMP will progress to plug and abandon the Backreef Well and complete the rehabilitation of the site. This work is planned for July 2018 during favorable dry season access conditions. Once this work is completed the ongoing cost of the Backreef area will be negligible.

Finance

At the end of the quarter, 31 December 2017 EMP cash balance was \$1,010,000. A summary of the cash flow for the quarter are attached in the Appendix 5B.
