ORDINARY BUSINESS

Resolution 1 – Adoption of Remuneration Report

Background

Section 250R(3) of the Corporations Act 2001 requires that a resolution to adopt the Remuneration Report must be put to the vote at the Annual General Meeting. The vote on this Resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report is set out in the Directors’ Report in the Company’s 2020 Annual Report. The Remuneration Report sets out the Company’s remuneration arrangements for the Directors and senior management of the Company.

In accordance with Section 250SA of the Corporations Act 2001, Shareholders will be provided with a reasonable opportunity to ask questions concerning, or make comments on, the Remuneration Report at the Annual General Meeting.

In accordance with Division 9 of part 2G.02 of the Corporations Act 2001, if twenty five (25%) per cent or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive Annual General Meetings, Shareholders will be required to at the second of those Annual General Meeting on a resolution (a “spill resolution”) that another meeting be held within 90 days at which all of the Company’s directors (other than the Managing Director) must go up for re-election.

It is noted that at the Company’s last Annual General Meeting, the votes cast against the Remuneration Report represented less than twenty-five per cent (25%) of the total votes cast and accordingly, a spill resolution will not under any circumstances be required for the Annual General Meeting.

The Directors will consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at the Meeting when reviewing the Company’s remuneration policies.

Board Recommendation

Noting that each Director has a personal interest in their own remuneration from the Company (as such interests are described in the Remuneration Report) and, as described in the voting exclusions on this resolution (set out in the Notice of AGM), that each Director (or any Closely Related Party of a Director) is excluded from voting their shares on this resolution, the Directors unanimously recommend that shareholders vote in favour of Resolution 1 to adopt the Remuneration Report.

Voting Exclusions

Refer to Note 6 and 7 for voting exclusions.

Resolution 2 – Re-election of Nigel Harvey as a Director

Background

The Constitution of the Company requires that at every Annual General Meeting, one-third rounded down to the nearest whole number of the Directors, shall retire from office and provides that such Directors are eligible for re-election at the meeting. Nigel Harvey being eligible, offers himself for re-election.

Nigel is an experienced ASX Director and has previously been a Director of Emperor Energy. He is Chairman of a mid-sized not for profit organisation and holds a wholesale Australian Financial Services Licence. Nigel operates a market consulting practice predominantly on AFSL compliance.

Early in his career he was a business and finance journalist predominantly in London and the Middle East and subsequently worked as an investment banker in Sydney for several decades predominantly covering the Asia Pacific region for energy derivatives and hedging. He has held roles with large banks including JP Morgan and Macquarie.

Board Recommendation

The Board (with Nigel Harvey abstaining) recommends that shareholders vote in favour of the election of Nigel Harvey. The Chairman of the meeting intends to vote undirected proxies in favour of Nigel Harvey election.

Voting Exclusions

There are no voting exclusions on this resolution.

Resolution 3: Ratification of Prior Share Issue

Background

The Company is seeking Shareholder approval to ratify the issue of fully paid ordinary shares issued on 29 May 2020.

On 29 May 2020 the Company issued 18,174,044 fully paid ordinary shares.

Broadly speaking, and subject to a number of exceptions ASX Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of fully paid ordinary securities it had on issue at the start of that period.

The Issue does not fit within any of these exceptions and, as it has not yet been approved by the Company's shareholders' it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without shareholders' approval under Listing Rule 7.1 for the 12 month period following the Issue Date.

ASX Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of Equity Securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved and under Listing 7.1 and so does not reduce the Company's capacity to issue further Equity Securities without shareholder approval under that rule.

The company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain shareholder approval for such issues under Listing Rule 7.1.

To this end, resolution 3 seeks the shareholder approval to the Issue under and for the purposes Listing Rule 7.4.

If resolution 3 is passed, the Issue will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities it can issue without shareholder approval over the 12 month period following the Issue date.

If resolution 3 is not passed, the Issue will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without shareholder approval over the 12 month period following the Issue date.

ASX Listing Rule 7.5 requires that the following information be provided to shareholders for the purpose of obtaining shareholder approval pursuant to ASX Listing Rule 7.4:

- (A) The total number of fully paid ordinary shares in the company that were issued is 1,777,443;

- (B) These shares were issued to Chaley Holdings Pty Ltd, Mr Ronald Bowen & Mrs Karen Bowen, Mr Victor Lorusso, Filmrim Pty Ltd, Ms Ruby Tal Feilich, Autumn Origin Capital, CTTR Growth Pty Ltd, Paul Gregory Brown & Jessica Olivia Brown, Anthony Denicola & Tanya Louise Denicola, Decky Corporation Pty Ltd, North of the River Investments Pty Ltd, Seed Strategic Advisory Pty Ltd, Mr Stacey Hubert Carter, Bearay Pty Ltd, Doric Wealth Pty Ltd, 924 Pty Ltd, Mr Stephen Brett Peruch + Mrs Sharon Sylvia Peruch, 7812 Pty Ltd, Jarisi Pty Limited, Mrs Miranda Buono, Budgong Pty Ltd, Graeme Galway, Techinvest Holdings Pty Ltd, Paul Anthony Evans, Cain Good, Arlam Pty Ltd, Geoff LeServe.
- (C) The shares were issued at a price of \$0.0275 (0.275 cents) per share;
- (D) The shares allotted and issued rank equally with the existing shares on issue;
- (E) The company raised \$499,786 from the share issue.
- (F) The funds raised were used to fund the work program of the Company's exploration activities and working capital requirements.

BOARD RECOMMENDATION

The Board unanimously recommends that the Shareholders vote in favour of Resolution 3.

Voting Exclusions

Refer to Note 6 and 7 for voting exclusions.

Resolutions 4(a), 4(b), 4(c) and 4(d): Placement or Issue of Securities to a Related Parties

Background

Resolutions 4(a), 4(b), 4(c) and 4(d) of the Notice seek Shareholder approval for the purpose of Listing Rule 10.11 and all other purposes for the future issue of fully paid ordinary shares to Directors and former Director of the company Carl Dumbrell, Nigel Harvey, Phil McNamara and Malcolm King (former Director) as consideration for 100% of the Director's fees payable.

It is the view of Directors that the proposed issue of Shares pursuant to Resolutions 4(a), 4(b), 4(c) and 4(d) fall within the exception under section 211 of the Corporations Act (reasonable remuneration) given the circumstances of the Company and the position held by the Directors. Accordingly, the Directors are not seeking Shareholder approval under section 208 of the Corporations Act, although Shareholder approval must be obtained pursuant to Listing Rule 10.11.

Directors' Remuneration Package and Interests

As at the date of this Notice, the details (including amount) of the current total remuneration package of each of the directors (including former Director) to whom (or to whose nominee(s)) Shares would be issued if Resolutions 4(a), 4(b), 4(c) and 4(d) are passed are:

Name of the Director	Nature	Remuneration Package Details
Carl Dumbrell	No Executive Director	\$60,000 per annum excluding statutory superannuation.
Nigel Harvey	No Executive Director	\$60,000 per annum excluding statutory superannuation.
Phil McNamara	No Executive Director	\$60,000 per annum excluding of statutory superannuation.
Malcolm King	Former No Executive Director	The Company has \$15,000 of unpaid fees owing to Malcolm King as at the date of this notice.

At the time of writing this Notice, there is approximately \$195,000 in unpaid fees owing to the Directors (including former Director). If each of the Directors participated in the allotment of Shares via the conversion of 100% of their Directors Fees, and taking into the account the balance above, then the following will be the effect on the holding of each of the Directors in the company:

Director (and former Director)	Current Share Holding	% of Total Share Capital (i)	Directors Shares Issued (ii)	Share Holding Upon Issue of Shares via the conversion of 100% Directors fees (ii)	% of Total Share Capital
Carl Dumbrell	5,834,533	4.74%	2,068,966	7,903,499	6.08%
Nigel Harvey	1,337,679	1.09%	2,068,966	3,406,645	2.62%
Phil McNamara	2,131,430	1.73%	2,068,966	4,200,396	3.23%
Malcolm King	1,067,515	0.87%	517,241	1,584,756	1.22%

Assumptions and Explanations

- (i) This assumes that there are currently 123,186,049 shares
- (ii) This assumes the Shares will be issued at a price of \$0.029 per Share, based on the closing price of the Shares on ASX on 23 October 2020.

Corporations Act

The Board has formed the view that the issues of Shares to the above Directors and former Director (or their respective nominee(s)) do not require Shareholder approval under section 208 of the Corporations Act as the issues constitute "reasonable remuneration" in accordance with section 211 of the Corporations Act.

A "financial benefit" is defined in section 229 of the Corporations Act and includes granting Shares to a related party.

Section 228 of the Corporations Act defines a "related party" for the purposes of Chapter 2E to include:

- directors of the public company (section 228(2)(a)); and
- an entity controlled by directors of the public company (section 228(4)). Section 228(5) provides that an entity is a related party of a public company at a particular time if the entity was a related party of the public company of a kind referred to in subsection (1), (2), (3) or (4) at any time within the previous 6 months.

In reaching this view, the Board considers the proposed grant of Securities aligns the interests of each of the above Directors with the interests of Shareholders. The grant of Share to each of the above Directors and former Director is a cost-effective form of remuneration when compared to the payment of cash consideration.

Consistent with the desire to minimise cash expenditures, the Board believes that having regard to the Company's current cash position, and the Company's objective to use available cash to fund its operations in the near future, and in order to compensate the above Directors in line with current market practices, Shares provide an appropriate and meaningful remuneration component to the above Directors that is aligned with Shareholder interests. In addition, the estimated values of the Shares are not excessive when compared to the respective Directors' other remuneration from the Company.

ASX Listing Rule 10.11

Listing Rule 10.11 requires a listed company to obtain shareholder approval by ordinary resolution prior to the issue of securities to certain persons, including

- 10.11.1: a related party; or
- 10.11.4: an associate of a related party

The proposed issue of the Shares falls within Listing Rules 10.11.1 above, as the proposed recipient of the Shares are directors (and former Director) of the company and are therefore related parties of the Company. The proposed issue of the Shares therefore requires the approval of the Company's shareholders under Listing Rule 10.11.

Resolutions 4(a), 4(b), 4(c) and 4(d) seek the required shareholder approval to the issue under and for the purposes of Listing Rule 10.11.

If resolutions 4(a), 4(b), 4(c) and 4(d) are passed, the company will be able to proceed with the issue of a total of 6,724,138 Shares to Carl Dumbrell, Nigel Harvey, Phil McNamara and Malcolm King or their Nominees.

If all of or any of resolutions 4(a), 4(b), 4(c) and 4(d) are not passed, the Company will not proceed with the issue Shares to all the applicable Director(s) (and former director) (or their nominee(s)), and directors' remuneration will be settled in cash.

If approval are given under ASX Listing Rule 10.11, approvals are not required under ASX Listing Rule 7.1.

Listing Rule 10.13 sets out a number of matters which must be included in a notice of meeting proposing an approval under Listing Rule 10.11. For the purposes of Listing Rule 10.13, the following information is provided in relation to Resolution 4(a), 4(b), 4(c) and 4(d) is:

- (a) the Shares are proposed to be issued to Carl Dumbrell, Nigel Harvey, Phil McNamara and Malcolm King (or their nominee(s)) and they are related parties by virtue of being Directors (and former director) of the Company;
- (b) the maximum number of securities that may be issued under Resolutions 4(a), 4(b), 4(c) and 4(d) is 6,724,138. Shares are proposed to be issued as follows:
 - Carl Dumbrell 2,068,966 fully paid ordinary shares
 - Nigel Harvey 2,068,966 fully paid ordinary shares
 - Phil McNamara 2,068,966 fully paid ordinary shares
 - Malcolm King 517,241 fully paid ordinary shares
- (c) the issue price of the securities, in the case of ordinary shares, will be \$0.029;
- (d) any fractions of Shares resulting from the calculation will be rounded down to the nearest whole number;
- (e) the Shares will be issued no later than one month after the date of the Meeting;
- (f) the Shares will be issued of nil considerations;
- (g) the Shares will be issued as remuneration and the Company will not receive cash from, the issue of the Share.
- (h) the current total remuneration packages of each of the directors are set out in the table above.

The Company's Annual Report for any period during which the shares are issued to Carl Dumbrell, Nigel Harvey, Phil McNamara and Malcolm King (or their nominees) shall disclose the details of the number of Shares that were issued to them, including the percentage of the Company's issued capital represented by those Shares.

Resolution 5: Placement or Issue of Securities to Company Creditors

Background

Resolution 5 seeks shareholder approval pursuant to ASX Listing Rule 7.1 for the issue of up to 6,982,759 fully paid ordinary shares at an issue price of \$0.029 per shares to company creditors.

Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period. One circumstance where an action or an issue is not considered in the calculation of the 15% threshold is where the issue has the prior approval of shareholders at a general meeting.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain further shareholder approval under Listing Rule 7.1. To do this, the Company is asking shareholders to approve the issue of shares under Listing Rule 7.1 so that it does not use up any of the 15% limit on issuing equity securities without shareholder approval set out in Listing Rule 7.1.

To this end, Resolution 5 seeks shareholder approval for the issue under and for the purposes of Listing Rule 7.1.

If shareholders pass Resolution 5, the Company will have the flexibility to issue these shares without using up any of its 15% limit on issuing equity securities without shareholder approval set out in Listing Rule 7.1. Issues of shares made under the approval will be excluded from the calculation of the number of equity securities the Company can issue without shareholder approval under Listing Rule 7.1. Receipt of shareholder approval does not, however, mean the Company will issue all or any of these shares, and the decision to issue shares remains with the Board.

If Shareholders do not approve Resolution 5 the Company will not issue the Shares to the Company Creditors and the Company Creditors will be settled in cash.

Listing Rule 7.3 requires that the following information be provided to Shareholders for the purposes of obtaining Shareholder approval pursuant to Listing Rule 7.1:

(a) The Shares are anticipated to be issued to:

- 1) Osmetti Pty Ltd, 2,448,276 shares.
- 2) C First Holdings Pty Ltd, 741,379 shares.
- 3) Zen88 Pty Ltd, 3,488,276 shares.
- 4) Shellia Chang, 344,828 shares.

(b) The maximum number of securities that may be issued under Resolution 5 is 6,982,759. The Shares will be fully paid ordinary shares.

(c) The shares are proposed to be issued within three months of the date of the Meeting. Any shares issued more than three months after the date of the meeting will be issued without shareholder approval and will use the Company's placement capacity. The Company may seek further approval to issue shares the subject of Resolution 5 in the event such shares are not issued within three months of the Meeting.

(d) The issue price of the securities, in the case of ordinary shares, will be \$0.029.

(e) The purpose of the issue is to settle outstanding company creditors.

BOARD RECOMMENDATION

The Directors, recommend that Shareholders vote in favour of Resolution 5.

SPECIAL BUSINESS

Resolution 6 – Approval of 10% Placement Facility

Background

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued share capital through placements over a 12 month period after the annual general meeting ("10% Placement Facility"). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

The Company is now seeking shareholder approval by way of a special resolution to have the ability, if required, to issue Equity Securities under the 10% Placement Facility. The effect of this Resolution will be to allow the Directors to issue Equity Securities under Listing Rule 7.1A during the 10% placement period (as described below) without using the Company's 15% placement capacity under Listing Rule 7.1.

If Shareholders approve this resolution, the number of Equity Securities permitted to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (see below).

If resolution is not passed, the Company will not be able access the additional 10% capacity to issue Equity Securities without Shareholders provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1

This Resolution is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote at this Meeting

The Company continues actively seeking to increase work on its current exploration assets and reviewing new potential projects and investments. Should the Company utilise the 10% Placement Facility, it intends to use the funds to acquire new assets or investments, to conduct further work on its current projects or to meet additional working capital requirements.

Description of Listing Rule 7.1A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an Annual General Meeting. This means it requires approval of 75% of the votes cast by shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate shareholder, by a corporate representative).

(b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of the Notice, has on issue two classes of Equity Securities, Shares and unlisted Options.

(c) Formula for calculating 10% Placement Facility

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an Annual General Meeting may issue or agree to issue, during the period of the approval, issue or agree to issue a number of Equity Securities calculated in accordance with the following formula:

(A x D)–E

- A** is the number of Shares on issue at the commencement of the “relevant period” (which, for the company, is the 12 month period immediately preceding the date of the issue or agreement):
- a) plus the number of fully paid Shares issued in the relevant period under an exception in Listing Rule 7.2, other than exception 9,16 or 17;
 - b) plus the number of fully paid Shares issued in the relevant period on the conversion of convertible securities within rule 7.2 exception 9 where:
 - I. the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - II. the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under rule 7.1 or rule 7.4;
 - c) plus the number of fully paid Shares issued in the relevant period under an agreement to issue securities within rule 7.2 exception 16 where:
 - I. the agreement was entered into before the commencement of the relevant period; or
 - II. the agreement or issue was approved, or taken under the Listing Rules to have been approved, under rule 7.1 or rule 7.4;
 - d) plus the number of fully paid Shares issued in the relevant period with approval of holders of Shares under Listing Rules 7.1 or 7.4;
 - e) plus the number of partly paid Shares that became fully paid in the relevant period;
 - f) less the number of fully paid Shares cancelled in the relevant period.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the relevant period where the issue or agreement has not been subsequently approved by shareholders under Listing Rule 7.4.

(d) Listing Rule 7.1 and Listing Rule 7.1A

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2

(e) Minimum Issue Price

Any equity securities issued under rule 7.1A.2 must be in an existing quoted class of the eligible entity's equity securities and issued for a cash consideration per security which is not less than 75% of the volume weighted average market price for securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the securities are to be issued is agreed by the entity and the recipient of the securities; or
- (ii) if the securities are not issued within 10 trading days of the date in paragraph (i) above, the date on which the securities are issued.

(f) 10% Placement Period

An approval under this rule 7.1A commences on the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following.

- (i) The date that is 12 months after the date of the annual general meeting at which the approval is obtained.
- (ii) The time and date of the entity's next annual general meeting.
- (iii) The time and date of the approval by shareholders of the eligible entity's ordinary securities of a transaction under rule 11.10.2 or rule 11.2.

Listing Rule 7.1A

The effect of Resolution 6 will be to allow the Directors to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1.

Resolution 6 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- (a) if Resolution 6 is approved by Shareholders, the period for which the Shareholders approval of the 10% Placement Facility under Listing Rule 7.1A commences on the date of the Annual General Meeting at which the approval is obtained, being 25 November 2020, and expires on the first to occur of the following:
 - (i) the date that is 12 months after the date of the Annual General Meeting at which the approval is obtained being 25 November 2021;
 - (ii) the time and date of the Company's next annual general meeting;
 - (iii) the time and date of the approval by shareholders of a transaction under Listing Rule 11.1.2 (a significant change to the nature or sale of activities) or 11.2 (disposal of main undertaking).
- (b) The purpose for which the funds raised by an issue of Equity Securities under rule 7.1A.2 may be used by the Company include:
 - (i) Consideration for the acquisition(s) of the new assets and investments, including the expense associated with such acquisition(s); and
 - (ii) Continued expenditure on the Company's current business and/or general working capital.
- (c) If Resolution 6 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the table below (in the case of Listed Options, only if the listed Options are exercised). Shareholders may also be exposed to economic risk and voting dilution, including the following:
 - (i) The market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Annual General Meeting; and
 - (ii) The Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date, which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice.

The table also shows:

- two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro

rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and

- two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable "A" in Listing Rule 7.1A.2		Dilution		
		Issue Price of \$ 0.145 (half the current market price)	Issue Price of \$ 0.290 (current market price)	Issue Price of \$ 0.580 (double the current market price)
Current Variable A	12,318,605	Shares issued (10% dilution)		
123,186,049 Shares	<i>Funds raised</i>	\$1,786,198	\$3,572,395	\$7,144,791
50% increase in current Variable A	18,477,907	Shares issued (10% dilution)		
184,779,074 Shares	<i>Funds raised</i>	\$2,679,297	\$5,358,593	\$10,717,186
100% increase in current Variable A	24,637,210	Shares issued (10% dilution)		
246,372,098 Shares	<i>Funds raised</i>	\$3,572,395	\$7,144,791	\$14,289,582

The table has been prepared on the following assumptions:

- The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- No Listed Options (including any Listed Options issued under the 10% Placement Facility) are exercised into Shares before the date of the issue of the Equity Securities;
- The 10% voting dilution reflects the aggregate percentage dilution against the Variable "A" at the time of issue. This is why the voting dilution is shown in each example as 10%.
- The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Annual General Meeting.
- The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes Listed Options, it is assumed that those Listed Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- The issue price is **\$0.029** (2.9 cents), being the closing price of the Shares on ASX on **23 October 2020**.

(d) The company will comply with the disclosure obligations under listing Rule 7.1A (4) upon issue of any equity Securities.

The company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to relevant factors including, but not limited to, the following:

- (i) The methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing security holders can participate;
- (ii) The effect of the issue of the Equity Securities on the control of the Company;
- (iii) The financial situation and solvency of the Company; and
- (iv) Advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders, subject to compliance with listing Rule 10.11, and/or new Shareholders who are not related parties or associates of a related party of the Company.

- (e) The Company:
 - (i) Has not issued, nor aged to issue, any Equity Securities under Rule 7.1A2 in the 12 month period preceding the date of the meeting; and
 - (ii) Had not agreed, before the 12 month period referred to in the preceding paragraph, to issue any Equity Securities under rule 7.1A.2 where such securities remain unissued as at the date of the Meeting.

Board Recommendation

The Directors of the Company believes that Resolution 6 is in the best interest of the Company and unanimously recommends that Shareholders vote in favour of this Resolution.
